## BECOME A MENTOR

# WHY BE A MENTOR?

Mentoring is a great way to not only give back to the community, but to also gain a life changing experience. Many of our mentors and mentees stay connected for years after they graduate our programs.

***"The greatest good you can do for another is not just to share your riches but to reveal to him his own."***

- Benjamin Disraeli

## MENTORING IS LIKE BUILDING A HOUSE

A master architect and a general contractor are required to plan a house. But there are lots of hands that go into actually building the house. A mentor:

- ✓ is a listening ear
- ✓ an ordinary person
- ✓ a friend
- ✓ a model of progress, not perfection

## OUR PROGRAM

### Calaveras Youth Mentoring Program (CYMP)

Youth in 1st - 12th grade are recommended to apply, and are matched 1-on-1 with a mentor with similar interests. Mentors spend a couple of hours a week with their mentee hanging out and having fun.
